## EXPERIENCE

### FRONTEND DEVELOPER

**Bank Respublika**

08.2024 - present

11.2022- 08.2023 ( Respite for military service )

At Bank Respublika, I worked in the 'Cortech' team, integrating a PHP-based internal banking application into React. I contributed to most of the 20+ modules, including supporting the accounts and customers module through to production. Later, I joined the Corporate Product team, working on the Central Bank's Open Banking project and an internet office application using React, TypeScript, and Node.js.

### FRONTEND DEVELOPER TRAINER

**Software Village**

10.2024 - present

### ENGINEER PROGRAMMER

**Azerbaijan National Academy of Science**

Institute of Information Technology
